**POLICY:** Census Availability

**ADOPTED:**

**REVISED:**

**POLICY:** It is the policy of the Frederick County Liquor Board that, upon the Board's receipt of the final Census, the number of available licenses will be determined in each Election District. Public Notice will be given of available licenses. An information sheet will be distributed upon request to be submitted to the Board for their review. When there is more than one request for one license, the Board will review the information and determine in what order the applications will be heard.

**PROCEDURES:**

1. When the Board receives the final Census giving the numbers for each Election District in Frederick County, the number of available licenses for each Class and Type will be determined.
2. Two Public Notices will be posted in the newspaper and on the Frederick County Liquor Board website giving the number of each Class and Type of the licenses available in each Election District. The Public Notices will contain instructions for submitting an information sheet by a certain date for the Board to review.
3. The information sheet include the following information:
  - A. Type of License Requested
  - B. Class of License Requested
  - C. Location of proposed establishment
  - D. Names that will appear on the license
  - E. Does the interested party have any other licensed establishments?
  - F. If so, the names and location of other licensed establishments
  - G. Target date to open the new establishment
4. The Board will review the information sheets that are submitted by the published deadline.

5. If there is more than one interested party for one Class and Type of license in an Election District, the Board will determine in what order the applicants will be heard based on the information submitted.
6. If there are any licenses remaining after the Board has granted the licenses for those who submitted the information sheet, an application will be available to the first person requesting an application for the Class and Type in each Election District.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_, 2012 by the Board of License Commissioners for Frederick County, Maryland.
